Since 2008, The Wolf & Gypsy Band has been writing and performing for fans across the USA. The Wolf & Gypsy Band are a high energy southern rock/outlaw country band with a little bit of an edge. The Wolf & Gypsy Band have performed shows with Blackberry Smoke, Ted Nugent, Molly Hatchett and several other national acts too many to list. They have released 6 albums selling over 25,000 copies with songs written for everyday hard working people encompassing all ages and life experiences. The Wolf & Gypsy Band have a male and a female lead vocalists, so they throw a wide loop attracting a wide range of fans. The Wolf & Gypsy Band's success has been based on hard work, their dedication to their fans... and the music they write and perform. The growth of their fan base has been nothing short of amazing and grow with every show they perform.
